

**Invitation to memorial for Susan Bacheller organized on 30 March by USAID:**

*A butterfly captures our hearts  
from the moment they appear.  
They are vibrant and graceful  
as their presence lifts our spirits.  
Gone much too soon,  
they will never be forgotten.*

The friends and colleagues of Susan Bacheller would like to invite you to join us in a gathering to celebrate her life. Susan will always be remembered for her dedication and determination to improve the health and lives of those most marginalized. Her love of art, music, travel, food (and wine!), sports, and biking were just some of the many interests she loved to share with others. But most of all, she will be remembered for her thoughtfulness and kindness—to her friends and family, to acquaintances, and to those whom she sought to help from afar. She will be greatly missed. We hope you will be able to come to a memorial program in her honor, followed by drinks and light refreshments.

**WHEN:** March 30, 2011  
**TIME:** 3:00 – 6:00 pm  
**WHERE:** PAHO, 525 Twenty-third Street, N.W., Washington, D.C. 20037

*In one of the stars, I shall be living.  
In one of them, I shall be laughing.  
And so it will be as if all the stars were laughing when you look at the sky at night.*
